**CHC Statement on
International Holocaust Remembrance Day**

On January 27, 2025, International Holocaust Remembrance Day, we honour the memories of the six million Jewish men, women and children who were systematically killed, along with millions of others, because of their religion, ethnic background, disability, political beliefs or sexual orientation.

We also pay tribute to those who courageously stood up and combated this evil and we honour those who survived.

As long as mass atrocities, such as genocide, are committed against humanity, peace and justice in the world will never be attained.

Together, all peoples must strive to remember, educate and prevent, so that such heinous crimes never occur again...

May their memory be eternal...
