THE CHC CONDEMNS
THE AZERBAIJANI AGGRESSION IN ARMENIA

Montreal, September 15, 2022--- As Canadians we are deeply concerned by Azerbaijan's escalating aggression against Armenia and profoundly saddened with the blatant disregard for human life and the basic norms of international law.

The Canadian Hellenic Congress pledges its unequivocal support for Armenia's sovereignty and territorial integrity and urges our Canadian government to work with its international allies, including NATO and the European Union, to demand de-escalation, full respect of the ceasefire and the return to meaningful dialogue via the OSCE.

Canada MUST return to its core values and speak against the aggressors who have violated human rights and religious freedoms, and – through military action – have usurped the freedom and independence of the people of Armenia. Turkish-backed Azerbaijan MUST be held accountable in order for this genocidal behaviour to cease!
